

FORM 1701: STUDENT DATA COLLECTION

FORM COMPLETION INSTRUCTIONS FOR INDEPENDENT SCHOOLS AND BC GLOBAL EDUCATION PROGRAM - OFFSHORE SCHOOLS

Quick Reference

Who must complete Form 1701?

This form must be completed by the following schools:

- Independent schools that **have ten or more** fully enrolled school-aged students enrolled in their school:
 - Standard (non Distributed Learning)
 - Ministry-approved Distributed Learning Schools that have entered into an agreement with the Ministry to offer instruction by means of distributed learning (DL)
- Certified BC Global Education Program - Offshore Schools (Offshore schools).

! **NOTE:** Students enrolled in courses offered at a distance (DL) must be reported in a ministry approved distributed learning school.

When must Form 1701 files be compiled and returned to the Ministry?

Form 1701 files must arrive at the Ministry on or before October 6, 2017
--

Why is Form 1701 important?

Form 1701 collects the following information about individual students as of September 29, 2017:

- name, birth date, gender, grade level and postal code
- language program enrolment
- Aboriginal Education program enrolment
- Special Needs category enrolment
- Number of courses for all students in the secondary grades including adults.

The collected information is critical for:

- determining FTEs for funding purposes
- collecting enrolment information about Offshore schools
- tracking student movement between schools
- monitoring enrolment trends in programs.

For independent schools, form 1701 is collected under the [Reports, Records and Data Collection Order \(I 1/91\)](#). Under this order schools are responsible for collecting and submitting the information to the Ministry.

For Offshore schools, form 1701 is collected under the [BC Global Education Program - Offshore Schools Certification Agreement](#).

Step by step instructions for completing Form 1701

Special cases: inclusions/exclusions for Form 1701

Include: The following students should be reported by the education facility with which they are enrolled and in attendance as at September 29, 2017, or registered, in the case of home schoolers:

- [Eligible school-age students](#) (born between July 1, 1998 and December 31, 2012).
- Students born prior to July 1, 1998 are considered to be adult students. Adult students who are taking Ministry-Authorized or Board/Authority Authorized courses that lead to a graduation diploma may be reported and funded. Eligible courses will be funded if they are documented on a Course Enrolment Form and the student meets the attendance definition and the funding eligibility requirements set out in the [Adult Non-Graduated Funding Policy](#);
- Students with Special Needs - For the 2017/2018 school year, students who are over the age of 19 who: 1) have special needs; and 2) were reported in the same school in 2016/17; and 3) are working towards the continuation of the goals set out in their IEP, may be reported on Form 1701.
- [Home School](#) Registrations – a child of school age registered with the school but taught at home or elsewhere by the parent or guardian.

- Out of Province/International Students - These students fall under the following categories: 1) not involved in a reciprocal exchange; 2) not ordinarily resident in the province and for school-aged students for whom the guardians of the students are not ordinarily resident in B.C. Provincial funding will not be provided for these students.

Exclude: The following students should not be reported on a 1701 form:

- Grade 8 and 9 students who are cross enrolled to a school other than their school of record are not to be reported by the cross enrolling school in the September data collection. These student are to be reported by the cross enrolling school from another authority or board during the July data collection. Only the school of record should report these students during the September data collection.
- Pre-primary or early childhood education students (not 5 years of age by December 31 of the current school year).
- Adult students (19 years of age or older before July 1 of the current school year) who have either met the general requirements for graduation in British Columbia or have completed the requirements for graduation from a secondary school or high school in another jurisdiction. These students are considered Graduated Adults and are not fundable.

Duplicate students

Refer to the [duplicate student rules](#) document for the 2017/2018 rules.

It is Ministry policy that a student in transition from one B.C. school to another B.C. school on September 29 should be reported at the school last attended in September.

For a student who arrives in a school during the last week of September, the principal of the receiving school should contact the school the student has left to ensure the student is removed from the departing school's 1701 file in order to avoid duplicate reporting.

Step by step instructions for completing Form 1701

Ministry School Name and Code

Be sure your school name and code are correct in the electronic file. If it is not correct, please ensure Form 1601 has the correct full school name recorded on it.

Local School Student Identification Number

Indicate the student's school identification number.

Personal Education Number (PEN)

Enter the student's Personal Education Number (PEN) that was assigned by the Ministry. All student records submitted to the Ministry must contain a PEN. Request PENs for any new student **prior** to submitting your file to the Ministry.

Legal Names

These are the names that appear on a student's birth certificate, unless a legal name change has been filed. Please do not include usual names or nicknames. Do not put names in brackets or surround them with an '*'. Full names are required. Do not enter an initial in any of these fields. Do not enter words such as Junior, Senior, None, NA or No Middle name. Do not use language accents in names as the Ministry system treats them as fatal name errors.

Birth date

Year - four digits (e.g., 2005).
Month - two digits (e.g., 01 rather than Jan).
Day - two digits (e.g., 05 rather than 5).

Usual Names

In most instances the usual name will be the same as the legal name and this section should be left blank. In those situations where the student requests to be referred to by other than their legal name, then complete those portions of the usual name which are different.

Gender

Indicate gender of the student.

Postal Code

Enter the B.C. residential postal code of the student. Do not enter the foreign country zip codes.

Out-of-Province/International student

Enter funding code (14) if the student is an Out-of-Province/ International student.

These are students whose parent or guardian is not a permanent resident of British Columbia. This includes students from:

- out of province
- other countries

Any incoming student not involved in a reciprocal exchange (e.g., an exchange student) would be considered an out-of-province/international student.

Aboriginal Ancestry

This includes First Nation (both Status and Non-Status), on reserve and off reserve, Inuit and Metis students.

! **NOTE:** Aboriginal identification must be made on a voluntary basis.

Band Code (Band of Residence)

Please indicate the four character "band of residence" code for the student if they are identified as part of a Self-Government Band and/or identified as "Status Indian Living On Reserve". Refer to Appendix 2 for a list of bands of residence and their codes.

! **NOTE:** Band of Residence code is the band number of the band on whose reserve and/or whose government district the student lives within. It may or may not be the student's membership band. For example, if a Cowichan member resides on Penelakut's reserve, the band of residence code for the student should be 0650 for Penelakut.

Self-Government Band

! **NOTE:** also use this section to indicate if the student is part of a "**Self-Government**" band. A "Self-Government" band refers to the following bands which have a Funding Agreement with Indigenous and Northern Affairs Canada (INAC):

0551 Sechelt
0554 Sliammon
0557 Tsawwassen
0601 Westbank
Maanulth
0638 Ka:'yu:'k't'h/Che:k:tl'es(Kayukth/Chektleseth)
0663 Huu-ay-aht (Ohiaht)
0666 Toquaht
0667 Uchucklesaht
0668 Ucluelet
Nisga'a Tribal Council
0671 Gingolx (Kincolith)
0677 Gitlakdamix
0679 Gitwinksihlkw
0678 Lakalzap

Status Indian Living on Reserve or Member of a "Self-Government" Band

Indicate if the student is a "Status Indian Living On Reserve". Enter funding code (20). "Living On Reserve" means that the student lives on the reserve in a domestic establishment that is their principle place of residence with their legal guardian(s) and that is the centre of their daily routine during the school year.

For the purpose of completing the 1701 also use this section to indicate that the student is part of a "Self-Government" band.

! NOTE: If the student is not part of a “Self - Government” band and has been removed from the Nominal roll please do not report the student as "Status Indian Living On Reserve".

Primary Language Spoken in the Home

Please indicate the language normally spoken in the home. If more than one language is normally spoken in the home, only indicate the language most often spoken. Refer to Appendix 1 for languages and their codes.

Receiving Home Schooling

Enter code (HS) in the grade code field if the child’s education program is being led by the parent or guardian and has been registered with your school. A home school registered child must be of school age (must be 5 years of age by December 31, but not 19 years of age or older as of July 1, of the current school year).

! NOTE: Home schooling is not a valid grade for students enrolled in Offshore schools.

Kindergarten Half Time

Enter code (KH) if the student is enrolled in Kindergarten and attends class on a half time (0.5 FTE) basis.

! NOTE: Kindergarten students may not be enrolled in more than one school.

Kindergarten Full Time

Enter code (KF) if the student is enrolled in Kindergarten and attends class on a full day (1.0 FTE) basis.

Grades 1-12

If the student is in a specific elementary or secondary grade, indicate the specific grade.

Elementary and Secondary Ungraded

Indicate if the student is not in a specific elementary or secondary grade. Ungraded students are not necessarily special education students. The ungraded categories include students who are taking courses at a number of levels and the school personnel do not consider the student to be in a specific grade level.

French language program

Schools may only report French program enrolment for those students who are receiving at least the minimum of time in French language instruction.

	Program	Required Minimum Time
Core French	Grades K-3	4.0%
	Grades 4-7	5.3%
	Grades 8-12	12.5%
Early French Immersion	Grades K-3	100.0%*
	Grades 4-7	80.0%
	Grades 8-10	50.0%
	Grades 11-12	25.0%
Late French Immersion	Grade 6	100.0%
	Grade 7	80.0%
Programme Francophone	Grades K-12	100.0%*

* By the end of grade 3, some students may be receiving up to 20% of their instruction in the English language.

Core French is a second language program offered at various grade levels, in which French is studied as a subject rather than as a language of instruction.

Early French Immersion is a separate program where instruction to students (in some subject areas) is offered in the French language. This program is normally offered to students whose first language is not French.

Late Immersion refers to those beginning French Immersion in Grade 6 and 7. At the 8 - 12 level, these students move into and are reported under the Early Immersion stream.

Programme francophone is a separate program offered, where numbers warrant, to students whose first language is French or who qualify under Section 23 of the Charter of Rights and Freedoms.

English Language Learning Program

Refer to the [*English Language Learning Policy and Guidelines*](#),

For a student to be reported as receiving English Language Learning support services there must be:

1. documentation of a current annual English language proficiency assessment, dated after September 30, 2016, confirming that the student's use of English is sufficiently different from standard English that he or she is identified as requiring specialized services to develop intellectually, to develop as a citizen and to achieve the expected learning outcomes of the provincial curriculum;

2. evidence that a current annual instructional plan is in place, dated after September 30, 2016. The instructional plan must be designed to meet the needs of the student or groups of students as identified in their English language proficiency assessments;
3. evidence that an ELL specialist teacher is involved in the development of the instructional plan and participates in a regular review of that plan during the school year (at a minimum, at each student reporting period);
4. evidence that additional ELL services are being provided. These services might include pull-out services, specialist support to a classroom teacher or teachers' assistant, and/or additional services provided in a regular classroom environment. When students receive adaptations within mainstream classrooms, there must be documentation that these adaptations address the ELL needs identified in the student's English Language proficiency assessment;
5. a schedule or list documenting the ELL services provided (see #4) by an ELL/specialist teacher, teacher or teachers' assistant;
6. documentation of the student's progress in the acquisition of English in all Student Progress Reports.

Speech Language Pathology services and other non-ELL specific services are not considered to be additional ELL services for purposes of this 1701 report. Reduction of class size is not, by itself, a sufficient service to meet the definition of ELL services.

A plan for delivery of ELL support services must be in evidence at the time of the September 29, 2017 claim. For secondary students there must be some evidence of support services in September although it may be appropriate to increase the level of service in the second semester based on scheduling of the student's courses or course load.

Provincial policy recognizes **English as a Second Dialect (ESD)** support services as a part of ELL support services. ESD support services must address the development of Standard English language proficiency, including oral language proficiency. Students reported as requiring ESD services speak a dialect of English that differs significantly from Standard English used in school and in broader Canadian society (i.e., significant variations in oral language vocabulary and sentence structure from those used in Standard English). ESD services do not include: speech-language therapy for language development disorders; services that solely address accents in speech carried over from another language; or services that solely address deficits in reading and writing Standard English. All of the conditions noted above (criteria 1-6) must also be met for ESD.

! **Note:** Students meeting the requirement of both ELL and a Special Education program may be reported in both categories. Distributed Learning Schools may claim ELL student if they meet the policy and reporting requirements described in this section.

Aboriginal Education Programs and Services

This information is collected for statistical purposes only.

Aboriginal Education programs and services are intended to support the success of Aboriginal students in the areas of: improved academic performance; increased retention, attendance and graduation rates; or, other results agreed upon in writing between the Aboriginal communities and the school.

Students may be identified under one or more of the following three categories of Aboriginal Education programs and services:

Aboriginal Language and Culture Programs: there must be evidence that students are receiving a program leading to knowledge and understanding of Aboriginal language and/or culture.

Aboriginal Support Services: there must be evidence that students are receiving a program intended to assist Aboriginal students to achieve success in school by providing support services. Services should be provided by personnel who are familiar with and sensitive to, the values, beliefs and needs of the Aboriginal community from which the student comes.

Other Approved Aboriginal Programs: there must be evidence that students are receiving a program developed, defined, approved and delivered through a shared decision-making process between the school and the Aboriginal communities it serves.

For a student to be reported as receiving an Aboriginal Education Program and/or Services, all of the following must be met:

1. evidence that the student has self-identified as being of Aboriginal Ancestry (First Nations, status and non status, Métis, and Inuit);
2. evidence that the parent or guardian of the student has been consulted;
3. evidence that the Aboriginal Education Programs and Services have involved the Aboriginal communities in planning and delivery;
4. evidence that the Aboriginal Education Program is in addition to any other programs and services to which the student is eligible;

- ! **Note:** Many programs designed for Aboriginal students may be inclusive of all students and/or may be designed to increase cultural awareness. As such, the presence of non-Aboriginal students in such programs may be appropriate under the policy.
5. evidence that the Aboriginal Education programs and services provide a continuum of substantive learning experiences and/or support services throughout the school year.

- ! **Notes:** Students may be reported in all categories for which they meet the requirements: Aboriginal Education and ELL Programs and Services.

Cultural events may form part of an Aboriginal Education program but do not constitute a program in and of themselves. Initial lack of consensus with the local Aboriginal communities does not preclude the responsibility of the school to deliver programs and services for Aboriginal students. The languages and cultures of the First People whose traditional territories are served by the school must be respected.

Number of courses leading to graduation

Report according to the actual course credit value. A course is defined by the [Student Credentials Ministerial Order MO M164/96](#).

For the purpose of completing this form, consider a four credit course (approximately 120 hours*) as one course and a two credit course (approximately 60 hours*) as a half course (see P. 57 and 78 of the [Handbook of Procedures for the Graduation Program](#) for credit definition). For example, a student taking English 12 (a four credit course) and Applied Skills 11 (a two credit course) should report **01.50** courses in this section.

*Sufficient hours of instruction to enable a student to earn credits based on the complexity and amount of work required in the course where a single credit represents the value attached to the knowledge, skill and aptitudes most students can acquire in approximately 30 hours of instruction.

- Items that are not secondary courses, such as credit awarded through equivalency, prior learning assessments, credit recognition, credit granted, tutorial time and teacher consultation, are not fundable and are not to be included in this section.
- General Education Development (GED) preparation courses are not fundable as GED is no longer offered in British Columbia.
- Courses completed via challenge and external credential courses are not to be included in this section.
- Courses encompass only one organized set of learning outcomes. While completion of the course's learning outcomes may be over a number of registration periods, only one course is undertaken and therefore eligible for only one funding claim.
- Post Secondary courses may be reported in this section if they are part of the school-aged student's planned program **leading to graduation** and they meet the requirements in the [Recognition of Post-Secondary Transition Programs for Funding Purposes policy](#).

! **NOTE:** Students are not allowed to take the same course at the same time whether in different schools or the same school.

For reporting and scheduling purposes the Ministry has created a set of generic, non-credit codes that are accepted activities for identified special needs students on an IEP.

In order to use these non-credit codes the student (Grade 8-12 and SU):

- must have a designated special needs category
- must have an IEP (Individual Educational Plan)
- is receiving an educational program and/or support to meet the goals of the student's IEP
- is assigned this activity because it is being used to assist the student in meeting one or more of the IEP goals.

<u>CODES</u>	<u>TITLE</u>
XSIEP 10A through to 10H	LD IEP Modified Course 10A etc
XSIEP 11A through to 11H	LD IEP Modified Course 11A etc
XSIEP 12A through to 12H	LD IEP Modified Course 12A etc

Graduation Transitions

Schools may report Graduation Transitions in this field.

Graduation Transitions is only to be reported once for a student taking a graduation program leading to a BC Certificate of Graduation – Dogwood during their K-12 education and should be reported when the student is enrolled in grade 12.

Advanced Placement courses

Schools may claim an AP course as a separate course in this section only if it meets the definition of a course, is a separate and distinct instructional session of 120 hours (for a four credit course) on the student's timetable, the course is being taught by a certified teacher and is in accordance with the [Student Credentials Ministerial Order M164/96](#).

Ministry Work Experience 12 and Youth Work in Trades courses

Work Experience 12A and 12B claims must meet the directives of the [Elective Work Experience Courses and Workplace Safety Policy](#), the [Work Experience Order MO237/11](#) and in accordance with the [Program Guide for Ministry-Authorized Work Experience Courses](#).

Youth Work in Trades (WRK11A, 11B, 12A and 12B) claims must meet the directive in the [Program guide for Youth WORK in Trades](#) (aka SSA).

Schools must ensure when tracking hours related to the work study program segment of WEX 12A/B and WRK 11A/B and WRK 12A/B that each of these four credit course are only claimed once regardless of the number of reporting periods the student requires to complete the work placement component.

In order to calculate the Full-time Equivalent for **all** secondary students enrolled in grades 8–12 and SU, report the total number of eligible courses.

To report **school aged** students, schools must meet the following criteria:

- For all school aged students, except those enrolled in Distributed Learning Schools, report the student's annual plan of courses leading to graduation in which the student was enrolled and in attendance as at September 29, 2017.

To obtain funding for **adult** students, schools must meet the following criteria:

- For all adult students, a Course Enrolment Form on file at the school listing the course(s) in which the student is enrolled and the date(s) of enrolment;
- For all adult students, except those enrolled in Distributed Learning Schools, report the courses in which the student was enrolled and in attendance as at September 29, 2017.

! **NOTE:** When completing the 1701 form please refer to the [Adult Program Policy](#) and the [Adult Non-Graduated Funding Policy](#).

Distributed Learning Programs

- For all students enrolled in Distributed Learning Schools, report according to the “[active](#)” policy
- Distributed Learning Programs report the student’s annual plan of courses for active students in grades 8-9
- Students in Grades 8-9 may only be reported by their school of record.
- Students in Grades 10-12 enrolled in a Distributed Learning School may enroll in courses in more than one school
- Report only the courses taken at your school
- For the September 2017 data collection, report all new courses leading to graduation in which the Grade 10-12 student has become active between May 6, 2017 and September 29, 2017.

Support Block

- For the purpose of completing this form, a support block is for non special needs, school aged, non graduated students in grades 10-12 and SU engaged in their learning at structured times in addition to their annual academic or regular program courses provided by the independent school and are taking fewer than 8 courses. The combined total number of support block and courses leading to graduation cannot exceed 8 for these students.
- Each support block is to be considered equivalent to the 120 hours of instruction of a regular course 4-credit course. Instructional service is provided and documented by a teacher, regular attendance is expected, and does not include independent study time, drop-in sessions, voluntary study halls, tutorial sessions or time spent on courses at another school.

! **Note:** Support blocks are not to be reported for school aged graduates, adult students or by Distributed Learning (DL) schools. In support of students taking distributed learning courses, students cross enrolled in non-DL schools may claim one funded support block per student per school year, as long as the other requirement for number of courses, structured time, teacher support and regular attendance are met.

! **Note:** Support blocks are not to be used as the sole method for English Language Learning or Aboriginal Education support services.

! **Note:** In MyEducation BC the code for support block is XSPBK 10A etc. It is recommended that other student information systems adopt the same code scheme.

The following chart shows how FTE will be calculated by grade and student type.

- Reported courses and the calculated FTE will include support block for eligible students.
- Adult non-graduates and students in DL schools enrolled in grades 10, 11, 12, and SU will be funded for more than 1.0000 FTE if they take more than 8 courses.

Include Ministry Accepted Certificates for External Courses such as those offered by the Young Drivers of Canada or Royal Conservatory of Music. (See the [Ministry External Credits](#) web page or the [online Course Registry](#)).

§

NOTE: These courses are not used in the funded FTE calculation.

R	Moderate Behaviour Support/Mental Illness

Students must be reported in the category according to the definition, identification and service delivery found in the [Special Education Services: A Manual of Policies, Procedures and Guidelines](#). Principals should consult with authority staff in identifying these students to ensure that information is reliable for audit and accountability purposes.

In order to identify a student in a Special Needs category the following criteria **must** be met:

1. there must be documentation to support that the student has been appropriately assessed and identified by the Independent School Authority as meeting the criteria of the special education category
2. a current IEP must be in place dated after September 30, 2016,

- Speech/Language Pathology
- Counseling
- Physiotherapy
- Occupational Therapy
- Psychology
- Hospital/Homebound Instruction.

- ! **NOTE:** A plan for the delivery of these Special Education Services must be in evidence at the time of the September 29, 2017 claim.
- ! **NOTE:** Refer to the [Distributed Learning - Requirements and guidelines for students with special needs](#) policy for details regarding special needs students enrolled in Distributed Learning Schools.

Submitting the 1701 file to the Ministry

The Ministry will accept transaction files via the secure [EdAccess](#) web site. If your school has a student record system supported by a certified software supplier, you are able to transmit data to the Ministry in an electronic format. Otherwise you must use the Ministry verification web application to produce your file for submission.
